

**2022/2023 Korean
Cultural Association
Membership**

The Korean Cultural Association (501c3) supports events and activities which promote Korean cultural heritage. KCA supports community events which provide opportunities for Korean adoptees, their families, other Korean Americans, and the greater community to build friendships and develop an appreciation of Korean cultural heritage.

KCA membership is tax deductible. Memberships run the calendar year (January through December). Join KCA for the first time or renew your membership, and your fee will include 2022 and 2023! Your support, input and participation are much appreciated! New KCA board members are elected in the fall. Please consider putting your name on the ballot! KCA Meetings, held in-person and virtual, are open to all members. Join and help us plan the next path for KCA!

I'd like to join Friends of the Korean Cultural Association and want to be on the email list for events, workshops, classes, and updates!

Individual membership \$5 Family membership \$10 Sponsor \$25+
 Lifetime membership \$250
