

Korean Cultural Association

KCA Membership

The Korean Cultural Association (501c3) supports events and activities which promote Korean cultural heritage. KCA supports community events which provide opportunities for Korean adoptees, their families, other Korean Americans, and the greater community to build friendships and develop an appreciation of Korean cultural heritage.

KCA membership is tax deductible. Memberships run the calendar year (January through December). Your support, input and participation are much appreciated! KCA Meetings, held in-person and virtual on Zoom, are open to all members. Join and help us plan the next path for KCA!

Checkout the KCA membership offer on the GiveMN link for KCA. A donation to KCA on GiveMN will renew a current membership or grant a new individual membership to the donor. The GiveMN link is:
